a more potent remedy in the roots and herbs of the field than was ever

produced from drugs.
In the good old-fashioned days of our grandmothers few drugs were used in medicines and Lydia E. Pinkham, of Lynn, Mass., in her study of roots and herbs and their power over disease discovered and gave to the women of the world a remedy for their peculiar ills more potent and efficacious than any combination of drugs.

Pinkham's Vegetable Compound to the respect and confidence of every fair minded person and every thinking woman.

When women are troubled with irregular or painful functions,

No other remedy in the country has such a record of cures States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable compound and what it has done for them.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. For twenty-five years she has been advising sick women free of charge. Anty Drudge Joins the Painters' Union. First Painter-"We've called to inform you, Anty, that you are elected an honorary member of the Painters'

Second Painter—"That's because you told our wives how to save us money by washing our white suits with Fels-Naptha instead of sending them to the laundry. The suits last three times as long."

Anty Drudge—"Thank you, gentlemen. That makes nine unions I belong to for the same reason. The others are the machinists, printers, butchers, blacksmiths, shoemakers, miners, railwaymen and plasterers."

In all households there is a deal of cleaning and scrubbing to do at the end of the week. Use Fels-Naptha. It does the cleaning easily, and makes the house cleaner and brighter.

Fels-Naptha whitens floors, brightens painted woodwork and brings out the colors in oil-cloth and linoleum. It cleans polished hardwood floors and varnished surfaces without dulling.

It cleans and polishes windows, and the glass in china closets or bookcases. Makes the glass shine like sparkling crystal.

Every woman knows that a porcelain bathtub is hard to keep white and clean. Fels-Naptha and a soft cloth keep it shining and spotless with very little work. Same for tiling or mirrors.

And Fels-Naptha does all this in cold or lukewarm water. No need of fire to heat water; and you don't need a scrubbing brush. Sound easy, doesn't it? And it is as easy as it sounds.

Try it in your cleaning this week. Follow directions on the red and green wrapper.
